The only cow in a small town in Ireland stopped giving milk. Then the town folk found they could buy a cow in Scotland quite cheaply. So, they brought the cow over from Scotland. It was absolutely wonderful, it produced lots of milk every day and everyone was happy.

They bought a bull to mate with the cow to get more cows, so they'd never have to worry about their milk supply again. They put the bull in the pasture with the cow but whenever the bull tried to mount the cow, the cow would move away. No matter what approach the bull tried, the cow would move away from the bull, and he was never able to do the deed.

The people were very upset and decided to go to the Vet, who was very wise, tell him what was happening and ask his advice. "Whenever the bull tries to mount our cow, she moves away. If he approaches from the back, she moves forward. When he approaches her from the front, she backs off. If he attempts it from the one side, she walks away to the other side."

The Vet rubbed his chin thoughtfully and pondered this before asking, "Did you by chance, buy this cow in Scotland?"

The people were dumbfounded, since no one had ever mentioned that they had brought the cow over from Scotland. "You are truly a wise Vet," they said. "How did you know we got the cow from Scotland?"

The Vet replied with a distant look in his eye: "My wife is from Scotland"

WHAT IS A GRANDPARENT?

(Taken from papers written by a class of 8-year-olds)

- Grandparents are a lady and a man who have no little children of their own. They like other people's.
- Grandparents don't have to do anything except be there when we come to see them... They are so old they shouldn't play hard or run. It is good if they drive us to the shops and give us money.
- When they take us for walks, they slow down past things like pretty leaves and caterpillars.
- They show us and talk to us about the colors of the flowers and also why we shouldn't step on 'cracks.'
- They don't say, 'Hurry up.'
- Usually grandmothers are fat but not too fat to tie your shoes.
- They wear glasses and funny underwear.
- They can take their teeth and gums out.
- Grandparents don't have to be smart
- They have to answer questions like 'Why isn't God married?' and 'How come dogs chase cats?'
- When they read to us, they don't skip. They don't mind if we ask for the same story over again.
- Everybody should try to have a grandmother, especially if you don't have television because they are the only grownups who like to spend time with us.

- They know we should have a snack time before bed time, and they say prayers with us and kiss us even when we've acted bad.
- **GRANDPA IS THE SMARTEST MAN ON EARTH! HE TEACHES ME GOOD THINGS, BUT I DON'T GET TO SEE HIM ENOUGH TO GET AS SMART AS HIM!**
- It's funny when they bend over; you hear gas leaks, and they blame their dog.
